

YUSUF ABDI MOHAMED

software Engineer

252617863645 #<https://yousuf-s-site.vercel.app/>

#yousufabdi34@gmail.com # Somalia-Mogadishu

Innovative and results-driven Software Engineer with over a year of experience in building scalable and efficient web and mobile applications. Proficient in modern JavaScript frameworks like React.js and React Native, with a strong focus on delivering seamless user experiences. Adept at collaborating within Agile teams, solving complex problems, and developing responsive, user-friendly solutions.

SKILLS

Key Skills

- **Frontend Development:** Expertise in building dynamic and responsive web applications using React.js.
- **Backend Development:** Proficient in Node.js and Nest.js for robust server-side applications.
- **AWS & Cloud Technologies:** Hands-on experience with AWS services and serverless architecture.
- **UI/UX Design:** Skilled in creating intuitive and visually appealing interfaces using CSS frameworks like Tailwind CSS, Bootstrap, and MUI.
- **Database Management:** Proficient in MySQL and Firebase for efficient data storage and retrieval.
- **Collaboration:** Experienced in Agile methodologies like Scrum and Kanban.

Technical Proficiency

- **Programming Languages:** JavaScript, Typescript, Python, PHP
- **Frameworks & Libraries:** React.js, React Native, Redux, Node.js, Nest.js
- **Styling:** CSS, Tailwind CSS, SASS, Styled Components
- **Tools:** Git/GitHub, Docker, Figma, VSCode
- **Testing:** Writing testable code and automating tests

EXPERIENCE

Frontend Developer | Rasiin Tech, Somalia | March 2023

- Developed multiple dashboards for hospital systems, enhancing data visualization and usability.
- Designed and implemented landing pages, improving user engagement and conversion rates.
- Resolved frontend issues and optimized performance for existing projects.
- Rebuilt and modernized older projects to align with contemporary standards.

Independent Projects

- **Baargele UC Platform:** Developed a platform for Somali PUBG players to purchase in-game currency using local payment systems EVC plus.
 - Technologies: React.js, PHP, MySQL, Python
- **Salonsy System (SaaS):** Built a SaaS platform for managing beauty salons as part of a three-member team.
 - Technologies: Next.js, PHP, MySQL
- **Somali Blood Donation System:** Designed a web system for facilitating online blood donations.
 - Technologies: PHP, MySQL, JavaScript

EDUCATION

Secondary School Graduation | Al-Imra, Somalia | Academic Year 2018-2019

- Successfully completed secondary education, laying the foundation for my academic journey in the field of computer science.

Bachelor of Science in Computer Science | Hormuud, Somalia | Graduated 2023

- Embarked on a transformative academic journey in 2019, culminating in the completion of a Bachelor's degree in Computer Science in 2023. Actively engaged in the dynamic learning environment of Hormuud university in Somalia, where I acquired a solid foundation in computer science principles and honed my skills in software engineering.
- Achieved a commendable Grade Point Average (GPA) of 2.61

Additional Highlights

- Collaborative coding experience with teams on diverse software projects.
- Passionate about clean, scalable code and continuous learning.

Why I'm a Great Fit for Mindera

- **React.js Expertise:** Proficient in React.js and modern frameworks, aligning with the role's requirements.
- **AWS Experience:** Familiarity with AWS and serverless architecture supports the company's technical environment.
- **Agile Collaboration:** Skilled in Agile workflows, fostering teamwork and innovation.
- **Motivated Learner:** Excited about learning new technologies, including GraphQL and advanced testing.

Availability for Visa Sponsorship

I currently hold a Somali passport and am eligible for visa sponsorship. I am eager to contribute to Mindera's success and committed to relocating or working hybrid as required.
